

Barcode Sunset Merchant Checklist

We've created a number of resources to help transition your retail operations to Afterpay Card. Use the checklist below to ensure you're ready to go before the 15 February sunset of the Afterpay Barcode tender type.

[View all resources](#)

Checklist for merchants.

Communication Plan and Change Management Requirements Identified	Afterpay barcode tender type sunset date has been communicated with all team members.	
	Afterpay Card training resources and FAQs located on Afterpay Access have been reviewed and distributed to internal stakeholders across operations, VM, IT, Finance & L&D, as required.	
	Changes to internal policies, processes, guides & documentation have been identified and actions for each team assigned.	
Retail and Payments Experience	Any changes to internal reporting and reconciliation of Afterpay sales have been identified and actioned as required.	
	Merchant assessment on the requirement to remove Afterpay barcode tender type from POS and timings of any changes communicated to teams.	
In-store Customer Experience	New "Bondi Mint" Afterpay Card visual merchandising assets have been installed. Reach out to Afterpay's in-store team at visualmerchandising@afterpay.com or via your Relationship Manager to ensure bespoke requirements are actioned."	
	Training resources have been integrated with internal LMS & comms platforms Afterpay Access .	
	Retail managers and frontline teams have been briefed and received training on the changes to transacting with Afterpay Card at POS.
